

# HALTON REGIONAL POLICE SERVICE

One Vision One Mission One Team

February 19, 2019

Oodenawi Public School  
385 Sixteen Mile Drive  
Oakville, Ontario  
L6M 0Z4

Attention: Principal

**Subject: Traffic safety in and around the school during pick up and drop off times**

The Halton Regional Police Service, the Town of Oakville, and the Halton District School Board are working collaboratively to promote safety on our shared roads and highways.

With the high traffic volume during pick up and drop off times in the area of Oodenawi P.S, we are reminding parents and caregivers to obey the rules of the road. Pedestrians and drivers alike are reminded to obey the rules of the road specifically:

- utilize crosswalks - avoid jay walking,
- obey direction from crossing guards,
- provide pedestrians the right of way,
- avoid the use of hand held devices while driving,
- all occupants of vehicles should use seatbelts, and
- do not park in school bus or fire zones.

Police and By-Law will be conducting education and enforcement activities in the area around Oodenawi P.S. We are all responsible for community safety and together we can ensure the wellbeing of our children. Please help us to keep the school zone safe by driving responsibly and showing consideration for each other.

Yours in partnership,

Sergeant Gus Bistas  
2 District Response Unit  
Halton Regional Police Service  
95 Oak Walk Drive, Oakville
